Givani

Our Premier Leather Range Made in New Zealand

Our Business is the provision of high quality New Zealand made slippers & house shoes. Serving our customers is our top priority. We aim to do this by :

- surpassing your expectations
- our exceptional hard work
- loyalty
- for using our unique skills for your benefit.

Quality New Zealand materials, design & manufacture ...

Truly world class slippers & house shoes.

Our entire leather range is hand crafted using the highest quality New Zealand grown deerskin. New Zealand has the largest farmed Deerskin resource in the world. Deerskin Nappa's advantages, softness, suppleness attractive grain and unique fibre structure add up to extreme comfort for the wearer. This premium organic product affords a beautiful soft touch of luxurious comfort, yet has a long life.

Our Premier Range of quality handcrafted slippers offer unrivalled leather luxury and have been designed to provide versatile and broad choice for the discerning customer.
